OPENING of the NEW JERUSALEM TEMPLE.
ON SUNDAY next, the 30th of July, the neat and elegant Erection, which is now completed, and called the NEW JERUSALEM TEMPLE, situate in Cross-street, Hatton-Garden, within the Premises lately known as the Hatton-House Estate, will be opened, for the Performance of Public Worship, by the Rev. J. PROUD, N. H. M. From the rationality of the Doctrines intended to be inculcated, from the abilities of the Preacher, and from the general neatness and elegance of the place, particularly with respect to the semicircular arrangement of the Pews and Seats, the Public may expect, and in all probability will receive, the highest gratification. Service to begin in the Morning at Half past 10 o'Clock; in the Afternoon at 3; and in the Evening at Half past 6.

Welcome to the

SWEDENBORG MOVEMENT

on the web.

We wish you health happiness peace and prosperity. We hope that what you find here will lift your heart, stimulate your mind and enrich your life.

We exist to promote an awareness and appreciation of the holistic, non-judgmental spiritual insights and experience of Emanuel Swedenborg 1688-1772. He was the most gifted scientist of his generation yet his amazing experiences transformed him into a unique spiritual teacher.

The movement based in the UK is part of an international network of organisations groups and individuals who have been enlightened and inspired by this explorer of the realms of spirit. We publish a quarterly magazine called 'Outlook' featuring a wide range of articles by a variety of writers and giving details of workshops and seminars currently available in the UK.
