

### The Mission Statement for the Gathering

We are gathering to promote harmony among women who are associated with the various Swedenborgian organisations around the world. We are coming together to acknowledge our common beliefs, explore our differences, develop a respect for one another's contributions, create an atmosphere for healing, and celebrate our spiritual sisterhood. It is our intention to promote a sense of charity and goodwill so that we might say:

*"No matter what form her doctrine and her external form of worship take, this is my sister; I observe that she worships the Lord and is a good woman."*

Roy Vickers was an exceptional man. A talented, diligent, intelligent man. A strict but loving father. A devoted and loving husband. Mother was the mainstay of the family because, being in the army, dad was often absent. However, he made as much time as he could for us. He could turn his hand to anything but his enduring passion was for motor vehicles. He started at Dagenham Motors as a lad, just before the war. If you believed what he said his whole wartime was spent having a whale of a time racing down hills in the snow and overturning cars, trucks or motorbikes in hilarious circumstances.
